Patrick:

Here are some documents that may help bring you up to speed. Attached are the current ones and then I will send you some historic ones. FJD06 and FJD07 is the LISD Daycare (Daycare for Teachers kids). We proposed for them to not use the play area until we clean up the surrounding areas and to use the elementary school across Hackberry street. They will use the house but not the play area in the backyard.

Thanks
